The State fair is October 26 to 30th.

Mr. Julian Selby spent a day or two with friends in Manning during the past week.

Yesterday brought the first autumn-like day. The cool change was enjoyed by most every one.

Dr. W. P. Styles, of Columbia, is now in charge of the prescription department of the Manning Pharmacy.

Miss Pauline Wilson and Miss Louise Brockington left Monday morning to enter the College for Women at Columbia.

Our Turberville correspondent sent in an account of the celebration of Gamble Sunday School too late for publication this week.

Building operations on the new court house have been practically suspended for several days, owing to the non-delivery of important material.

The total number of registration certificates that have been issued in Clarendon county is 2,260, and of these 146 were issued to colored voters.

The Rev. C. W. Blanchard, of the Clarendon Baptist church, preached in the Presbyterian church last Sunday morning in the absence of the pastor.

Work on the new graded school building is moving right along. It is expected that the building will be completed in time for the next commencement exercises.

Dr. W. M. O'Bryan, of the Manning Pharmacy, Mr. V. E. Hicks, of Turberville, and Mr. Dave Lee, of the Fork section, go to Charleston this week to enter the medical college.

Last Saturday was Jewish new year day, the beginning of the year 5668. It was observed in Manning by a limited extent as a holiday and many new year cards were sent out and received.

The Rev. T. T. Walsh, Archdeacon of the Episcopal church, will conduct services in Masonic Hall at 11 a. m., and 8 p. m., next Sunday, Oct. 1st. The public is cordially invited to attend.

The tobacco season is drawing to an end and the warehouses will close about the last of next week. Manning has proved a good market this year and there is still quite a quantity of tobacco being sold.

The drought that had prevailed for over a month was broken by a fine rain last Sunday. The prospects for turnips had begun to look gloomy, many streams had gone dry, and the roads were very heavy with sand.

Mrs. Wren died in Manning last Thursday evening at the home of her daughter, Mrs. McCoie, in the 83rd year of her age. Her remains were taken to Cordesville, in Berkeley county, for interment.

Editor Appelt has been at home quite sick for several days and has been unable to do any editorial work this week. This issue of THE TIMES has just happened, and under the circumstances our readers will no doubt excuse all shortcomings.

Uncle Sam came out last Sunday in a brand new spring suit of clothes. We always noticed that he was the first at the bank when it came to getting fresh fish or wild ducks, but hardly expected him to get six months ahead in the matter of clothes.

Yom Kippur, the solemn Day of Atonement, will occur next Monday, and will be observed by all the Jewish merchants of Manning. Their places of business will be closed, private services will be held at their homes, and neither food nor drink will be partaken of from Sunday evening to Monday evening.

Miss Regina Readon, daughter of Mr. J. E. Readon, died at the home of her parents in Manning last Friday night after a protracted illness. She was about 16 years old. Her remains were interred at Midway on Sunday morning, the Rev. A. R. Woodson conducting the funeral service.

The D. J. Chandler Clothing Co., of Sumter, has a new advertisement in THE TIMES this week, which will certainly attract the attention of our readers. Any man or boy can certainly get "suited" at Chandler's as has been daily demonstrated for many years. They have now on their shelves a flattering trade from Clarendon county, and they will spare no effort to continue to please all who may favor them with their patronage.

An interesting W. C. T. U. meeting was held in the First Baptist church last Sunday afternoon. Mrs. Joseph Spott, the State president, read the annual report that she gave at the recent meeting of the State W. C. T. U. at Bamberg. Mrs. J. Furman Bradham and Miss Frances Spott, who were delegates to the Bamberg meeting, gave reports of that meeting. Mrs. Bradham treating specially of the W. C. T. U. work and Miss Davis of the L. T. L. work. The W. C. T. U. has determined to look to the enforcement of the State law against selling cigarettes to minors, and in this work they should have the support and encouragement of all good citizens.

Mrs. Emma Harris, wife of J. W. Harris, member of the Woodman Circle, Hickory Grove No. 28, located at Greeleyville, S. C., died September 10th. A devoted wife and a true sovereign has gone to her eternal home. We will miss her and deeply mourn her loss. We will do our best to publish this and send me a copy as it has to be attached to her certificate as a proof of her death.

I am Fraternally,  
MRS. MATTIE B. BRUNSON.

## Court of Common Pleas.

The Court of Common Pleas for Clarendon county has been in session since Wednesday of last week, and will probably continue until Saturday. The civil docket has been an unusually heavy one this term. The following cases have been disposed of up to Saturday afternoon. It has been impossible for us to get a further report this week.

E. B. Brown against S. J. McFadden, claim and delivery. Answer withdrawn. Verdict taken by default for \$900, in case delivery of the property described cannot be had.

Frederick Jordan against the North-western Railroad Company, damage. Verdict for plaintiff for amount claimed, \$330, together with \$30 penalty and \$36.92 interest. On motion, upon the plea that the verdict was excessive, Judge Watts ordered that defendant be granted a new trial unless plaintiff shall remit \$74.02 from amount of verdict.

D. L. Green and others against the Atlantic Coast Line Railroad Company, for damages. Verdict for the plaintiff in the sum of \$75 penalty.

E. L. Wilkins against P. D. Hodges, for recovery of land. The jury found that the plaintiff is entitled to the immediate possession of the land in this action without costs or damages.

James E. Tennant against Larry S. Barwick, suit for damages for slander. Verdict for plaintiff in the sum of \$100.

J. F. Stackley against J. B. Hudnal, Answer withdrawn and order for judgment taken for \$315.82.

S. L. Krasnoff against the North-western Railroad Company, for damages, continued on account of absence of witnesses.

D. W. Alderman against L. L. Wells, as county treasurer. The facts in this case were agreed upon and the issues of law heard by Judge Watts. This case is one of no little importance as it involves the constitutionality of the Income Tax Act of 1897. The matter comes up upon the payment under said law of \$275 by Mr. D. W. Alderman, of Alcolu, as tax on his income for the year 1907, which he paid under protest.

Mr. Alderman then brought suit by his attorney, Mr. Charlton DuRant, against County Treasurer Wells for the recovery of said amount, alleging that the Income Tax Act is in violation of the Constitution of South Carolina and also of the Fourteenth Amendment of the Constitution of the United States. The matter was argued at length by Mr. DuRant for the plaintiff and by Assistant Attorney General De Bruhl and Mr. J. H. Lesseur for the State. Judge Watts stated that he would take the papers and "rattle" with the question as soon as he could reach it, as he is now on his rounds on the 3rd circuit and facing heavy dockets in several counties. The question of the State and the right of the Legislature to impose an income tax.

Mayfield Woolen Mills Clothing Company against B. L. Bradham, judgment for \$382.61.

E. L. Wilkins against C. B. Baker and M. A. Baker. Decree for foreclosure and sale.

## A Paying Investment.

Mr. John White, of 38 Highland Ave., Eulouin Maine, says: "Have been troubled with a cough every winter and spring. Last winter I tried many advertised remedies, but the cough continued until I bought a 50c bottle of Dr. King's New Discovery; before that was half gone, the cough was all gone. This winter the same happy result has followed a few doses once more banished the annual cough. I am now convinced that Dr. King's New Discovery is the best of all cough and lung remedies." Sold under guarantee at Arant's drug store. 50c and \$1.00. Trial bottle free.

## The School Question Settled.

Manning, S. C., Sept. 29, 1908.  
Editor of Manning Times.

In view of the various articles written in your paper relative to the removing of all limitations in the deed to the school property of this district, it might be well for the Trustees to state their position in this matter. Several weeks ago the Trustees purchased from the town of Manning and the heirs of Moses Levi, deceased, a fee simple title to the lot, taking a deed therefor without any limitations or reservations whatsoever; this deed has already been signed by the town of Manning and is being sent to the different heirs of the Levi Estate, they residing in several States, for their signatures thereto. The Trustees have fully determined that the name of the school shall be The Manning Graded School, and we assure the patrons of the school and the voters of this district, that such determination will not be changed by a petition or election upon the question. The Levi heirs have stated to the board that under no circumstances should the school bear their father's name. We trust this statement of our position in this matter will put at an end to this unfortunate controversy, which cannot possibly do the community and school district any good.

A. LEVI,  
JOSEPH SPOTT,  
W. C. DAVIS,  
Trustees School District No. 2.

## How to get Strong.

P. J. Daly, of 1247 W. Congress St., Chicago, tells of a way to become strong: He says: "My mother, who is old and was very feeble, is deriving so much benefit from Electric Bitters, that I feel it my duty to tell those who need a tonic and strengthening medicine about it. In my mother's case a marked gain in flesh has resulted, insomnia has been overcome, and she is steadily growing stronger." Electric Bitters quickly remedy stomach, liver and kidney complaints. Sold under guarantee at Dr. W. E. Brown & Co., and J. E. Arant's drug store. 50c.

## Notice to Trustees and Teachers.

Attention is hereby called to the Trustees and to those who expect to teach in Clarendon County this term.

It is against the school laws for trustees to employ any teacher who does not hold a certificate of qualification from their county board of education. Teachers who are graduates of recognized State colleges are exempt from an examination, and may become qualified by presenting their diplomas, and obtaining certificates. Teachers who hold first grade certificates may have them renewed, provided they have attended a Teachers' Institute at summer school. If they have not attended, and desire renewal, they must show to the State Board of Education a satisfactory reason for not having done so.

Holders of second grade class A may have their certificates renewed, if they have attended a summer school.

Holders of second grade class B shall not have their certificates renewed. No one who is under 18 years old shall be permitted to stand the examination, hence could not be employed as a teacher. The next examination for teacher's certificates will be held in the court house in Manning Friday Oct. 16, 1908. Every teacher or prospective teacher should endeavor to qualify under these regulations.

All merchants, bankers, and other persons are hereby cautioned not to purchase the monthly pay warrants of any teacher until they are assured such teacher is duly qualified under the law. This office desires to treat all right, but must insist on a more careful obedience to the existing laws.

Respectfully,  
E. J. BROWNE,  
County Superintendent of Education.

## BLOCKADED.

Every Household in Manning Should Know How to Resist It.

The back aches because the kidneys are blocked.

Help the kidneys with their work. The back will ache no more.

Lots of proof that Doan's Kidney Pills do this.

Mrs. L. E. Walters, living at 8 East Pine St., Florence, S. C., says: "Doan's Kidney Pills proved far more beneficial to me than any remedy I had previously used for my back or kidneys. I suffered from dull nagging backaches and had pains through my loins. I could not sleep or lift without enduring misery, my kidneys also gave me annoyance, the secretions being very frequent in action, and were unnatural in appearance. I used Doan's Kidney Pills and in a short time the backaches vanished, and my kidneys were restored to their normal condition. Since then my back has not been sore or lame and my kidneys are regular in action. I feel so much better that I do not hesitate to advise Doan's Kidney Pills to others suffering from kidney complaint."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
